# "Get spooky with the Chameleons"

We have a big show planned, a really big show. On **October 19<sup>th</sup>**, The Chameleon Theatre Circle will host its **3<sup>rd</sup> Annual Variety Show** at Christus Victor Lutheran Church located at the intersection of Cedar Avenue & Palomino Avenue in Apple Valley. The evening starts at 7:00pm and winds up at 10:00pm.

The show will carry a spooky **Halloween theme**. There will be music, skits, songs, dancing, a silent auction of haunted proportions, food, beverages, and of course a lot of fun. Some of the featured blood-chilling performers are the debut of **CROSSFIRE**, a new sextet combo that will perform latin and swing-jazz selections, many Chameleon **alumni**,

fun-filled skits from the scary minds of Chameleon's playwrights, and a preview of the upcoming production of **A New Brain**. A door prize will be given to those who arrive in costume.

There are several tickets levels available for purchase with a variety of benefits.

Tickets can be reserved by phone at 612-788-9074, by e-mail at [bdonaldson@seetheatre.org](mailto:bdonaldson@seetheatre.org) or by mailing in the payment to the Chameleon Theatre Circle.

If you have any questions about the event, please contact **Brad Donaldson** at the information previously listed above.
